

## Tutorial 2

### Question 1

The Open University of Mauritius is developing a program to convert exam marks to grades. Write a java program that will ask the user for his/her marks for a subject and display the corresponding grade. Make use of switch statement.

Grades are allocated as follows:

Marks	Grade
$\geq 70$	A
60-69	B
50-59	C
40-49	D
30-39	E
$< 30$	F

### Question 2

Write a program that displays all multiples of 5 between 0 and 100 inclusive.

### Question 3

Write a program that allows the input of two integer values x and y and display the sum of their factorials.
